12. United States Environmental Protection Agency; and
13. Any other federal agency available to provide advice and assistance.

D. The Oklahoma Flood and Drought Management Task Force shall have the following duties:

1. Developing and recommending state drought and flood response, recovery, and mitigation initiatives for conditions determined to be detrimental to the state economy and public health;
2. Identifying drought and flood management areas in the state;
3. Providing coordination and communication among federal, state, and local entities as deemed appropriate for drought and flood assistance programs, education, and information; and
4. Performing such other drought- and flood-related assessments and response functions as deemed necessary.

E. Beginning in 2025, and every ten (10) years thereafter, in conjunction with the update of the Oklahoma Comprehensive Water Plan

1 and State Flood Plan, the Oklahoma Water Resources Board shall
2 coordinate with Oklahoma Flood and Drought Management Task Force to
3 update the Oklahoma Drought Management Plan.

4 F. The Oklahoma Water Resources Board shall prepare an annual
5 update of drought and flood conditions within the state and planning
6 and mitigation activities being conducted by the Task Force and
7 shall submit such report to the Speaker of the Oklahoma House of
8 Representatives and President Pro Tempore of the Oklahoma State
9 Senate.
