SECTION 1. AMENDATORY 22 O.S. 2021, Section 988.20, is amended to read as follows:

Section 988.20. A. Upon proper motion to the court to modify a community sentence as provided in Section 988.19 of this title, the ~~judge~~ court shall have authority to impose disciplinary sanctions or incentives. An order for a disciplinary sanction shall not modify the terms of the original sentence and shall be imposed only to gain compliance with the terms of the court-ordered community punishment. The court may order any community punishment available and funded in the jurisdiction that is deemed appropriate by the ~~judge~~ court for

1 the circumstance including, but not limited to, a term of
2 imprisonment specified in Section 991b of this title per motion for
3 modification in either:

- 4 1. The county jail;
- 5 2. A residential treatment facility;
- 6 3. A restrictive housing facility; or
- 7 4. A halfway house.

8 When the offender is to be confined, the sheriff shall, upon order
9 of the court, deliver the offender to the designated place of
10 confinement, provided the place of confinement has an agreement for
11 confinement services with the local community sentencing system or
12 is the county jail. The sheriff shall be reimbursed by the local
13 community sentencing system for transporting offenders pursuant to
14 this subsection. The offender shall be given day-for-day credit for
15 any terms of incarceration served in the county jail or other
16 restrictive facility when the sentence is modified.

17 B. The court may, through a standing court order, provide for
18 specific sanctions and incentives which may be utilized by the local
19 administrator upon notification to the court.

20 C. When a motion for modification has been filed pursuant to
21 Section 988.19 of this title, the court shall have authority to
22 offer incentives to offenders to encourage proper conduct in the
23 community and for compliance with the community punishments. The
24 court shall use its discretion in ordering appropriate incentives.

1 Incentives shall be considered a reduction and modification to the
2 community punishment and may be ordered after the motion to modify
3 has been heard.

4 D. Notwithstanding any other provision of law, if the driving
5 privileges of the offender have been suspended, revoked, canceled,
6 or denied by Service Oklahoma and if the court determines that no
7 other means of transportation for the offender participating in the
8 community sentencing program is available, the court may enter a
9 written order requiring Service Oklahoma to stay any and all such
10 actions against the Class D driving privileges of the offender.

11 Such stay shall not be construed to grant driving privileges to an
12 offender who has not been issued a driver license by Service
13 Oklahoma or whose Oklahoma driver license has expired, in which case
14 the offender shall be required to apply for and be found eligible
15 for a driver license, pass all examinations, if applicable, and pay
16 all statutory driver license issuance or renewal fees. The offender
17 shall provide proof of insurance to the court prior to an order for
18 a stay of any driver license suspension, revocation, cancellation,
19 or denial. When a court enters a stay against an order by Service
20 Oklahoma suspending or revoking the driving privileges of an
21 offender who is participating in the community sentencing program,
22 the time period set in the order by Service Oklahoma for the
23 suspension or revocation shall continue to run during the stay.

24 When an offender has successfully completed the community sentencing

1 program, the court shall determine if he or she will maintain
2 jurisdiction over the offender's driving privileges for one (1) year
3 after the date on which the offender graduates from the program.

4 E. When any offender is disciplined by the court as authorized
5 by this section and is to be imprisoned in the county jail or other
6 restrictive facility, the sheriff or facility administrator shall
7 receive compensation as provided by their agreement with the local
8 community sentencing system, or the sheriff or facility
9 administrator shall be paid directly for the services by the
10 offender when ordered to pay for the confinement as part of the
11 disciplinary sanction. In no event shall any compensation for
12 disciplinary confinement exceed the maximum amount provided for
13 county jail confinement in Section 38.1 of Title 57 of the Oklahoma
14 Statutes.

15 ~~E.~~ F. The Department of Corrections is prohibited from
