25

1 acceptance by the Board. The issuance of a complaint and citation  
2 by the Board shall not be necessary for the Board to accept a

4 shall be considered disciplinary action by the Board in all cases,  
5 even in cases where surrender occurs prior to the issuance of a  
6 formal complaint and citation, and shall be reported as disciplinary  
7 action by the Board to the public and any other entity to whom the  
8 Board regularly reports disciplinary actions.

9 3. As a condition to acceptance of the surrender, the Board may

14 1. "Substantially relate" means the nature of the criminal  
15 conduct for which the person was convicted has a direct bearing on  
16 the fitness or ability to perform one or more of the duties or  
17 responsibilities necessarily related to the occupation; and

18 2. "Pose a reasonable threat" means the nature of the criminal  
19 conduct for which the person was convicted involved an act or threat  
20 of harm against another and has a bearing on the fitness or ability

22 B. Notwithstanding any other provision of law, a conviction,  
23 plea of guilty or nolo contendere, or pending criminal charge of a  
24 crime may be grounds for the denial of an applicant for a state

1 license or state certification to practice an occupation only if the  
2 underlying offense substantially relates to the duties and  
3 responsibilities of the occupation and poses a reasonable threat to  
4 public safety, health, or welfare. When making a determination  
5 pursuant to this subsection, a licensing or certification authority  
6 shall consider:

- 7 1. The nature and seriousness of the offense;
- 8 2. The amount of time that has passed since the offense;
- 9 3. The age of the person at the time the offense was committed;
- 10 4. Evidence relevant to the circumstances of the offense  
11 including any aggravating or mitigating circumstances of social

17 compliance with any conditions of community supervision, parole, or  
18 mandatory supervision, the conduct and work activity of the person,  
19 programming, or treatment undertaken by the person, and testimonials  
20 or personal reference statements.

21 C. Notwithstanding any other provision of law, a licensing or  
22 certification authority shall not deny a state license or state  
23 certification to practice an occupation due to:  
24  
25

1        1. An arrest that was not followed by a valid plea of guilty or  
2 nolo contendere unless charges are currently pending;

3        2. A conviction that has been sealed, or expunged;

4        3. A conviction or plea of guilty or nolo contendere for which  
5 more than five (5) years have elapsed since the date of conviction,

8 shall not apply to any conviction or plea of guilty or nolo  
9 contendere for:

10            a. an offense enumerated in Section 571 of Title 57 of  
11 the Oklahoma Statutes,

18            d. any equivalent law enumerated in this paragraph from  
19 another jurisdiction; or

20        4. A finding that an applicant lacks good character or fails to  
21 meet any other similarly vague standard where a criminal conviction  
22 is the basis for the finding.

23        D. Before a state licensing or state certification authority  
24 makes a final determination that a criminal conviction, plea of  
25

1 guilty or nolo contendere, or pending criminal charge may disqualify  
2 an applicant for licensure, that authority shall provide written  
3 notice of:

4 1. The specific offense that is the basis for the intended  
5 denial;

6 2. The reasons the offense was determined to substantially  
7 relate to the duties and responsibilities of the occupation and  
8 posed a reasonable threat to public safety, health, or welfare,  
9 including findings for each of the factors in subsection B of this  
10 section that the licensing or certification authority deemed  
11 relevant to the determination; and

12 3. The right to submit additional evidence relevant to each of  
13 the factors listed in subsection B of this section within thirty  
14 (30) days, which the licensing or certification authority shall  
15 consider before issuing a final determination.

16 E. A final determination that a criminal conviction, plea of  
17 guilty or nolo contendere, or pending criminal charge may prevent a  
18 person from receiving a license shall be in writing and include  
19 notice of the right to appeal the determination pursuant to the  
20 Administrative Procedures Act, or a more specific statutory  
21 authority, and notice of the earliest date the applicant may reapply  
22 for a license.

23 F. A person with a criminal history record may request a  
24 determination of whether his or her criminal history record may

1 disqualify him or her from obtaining the desired license or  
2 certification in the occupation from a state licensing or state  
3 certification authority at any time, including before obtaining any  
4 required education or training for such occupation. The request  
5 shall be in writing and shall include either a copy of the person's  
6 criminal history record with explanation of each conviction  
7 mentioned in the criminal history record or a statement describing  
8 each criminal conviction including the date of each conviction, the  
9 court of jurisdiction and the sentence imposed. The person may  
10 include a statement with his or her request describing additional  
11 information for consideration by the licensing or certification  
12 authority including, but not limited to, information relevant to any  
13 of the factors for consideration described in subsection B of this  
14 section.

15 G. Upon receipt of a written request for consideration of a  
16 criminal history record for an occupation as provided in subsection  
17 F of this section, the licensing or certification authority shall  
18 evaluate the request and make a determination based upon the  
19 information provided in such request whether the stated conviction  
20 is a disqualifying offense for the occupation. A notice of the  
21 determination shall be issued to the petitioner within sixty (60)  
22 days from the date such request was received by the licensing or  
23 certification authority, except however, a licensing or  
24 certification authority regulating fifty thousand or more members in

1 its occupation shall be allowed ninety (90) days to make its initial  
2 determination and issue notice to the requestor.

3 H. A determination made pursuant to subsection F of this  
4 subsection that a person may not be disqualified for licensure or  
5 certification due to criminal history shall be binding upon a  
6 licensing or certification authority unless, at the time a full  
7 application for a license is submitted, the applicant has  
8 subsequently pled guilty or nolo contendere to a crime, has pending  
9 criminal charges, or has previously undisclosed criminal  
10 convictions.

11 I. The notice of a determination made pursuant to subsection F  
12 of this section shall be in writing and mailed to the requestor at  
13 the address provided in his or her request, and shall contain the  
14 following statements:

15 1. Whether the person is eligible for licensure or  
16 certification in the occupation at the current time based upon the  
17 information submitted by the requestor;

18 2. Whether there is a disqualifying offense that would  
19 disqualify the person from engaging in the occupation at the current  
20 time and a statement identifying such offense in the criminal  
21 history record or information submitted for consideration;

22 3. Any actions the person may take to remedy a  
23 disqualification, if any;  
24  
25

1       4. The earliest date the person may submit another request for  
2 consideration, if any; and

3       5. A statement that the determination may be rescinded if, at  
4 the time a full application for a license is submitted, the  
5 applicant has subsequently pled guilty or nolo contendere to a  
6 crime, has pending criminal charges, or has previously undisclosed  
7 criminal convictions.

8       J. A state entity charged with oversight of an occupational  
9 license or certification may promulgate forms for requests for  
10 determinations for the occupation as authorized in subsection F of  
11 this section. Each state licensing or certification authority may  
12 charge a fee not to exceed Ninety-five Dollars (\$95.00) for each  
13 initial determination of eligibility it makes for the occupation  
14 based upon the information provided by the requestor.

15       K. Each state licensing or state certification authority shall  
16 include in its application for a license or certification and  
17 publish on its public website the following information:

18       1. Whether the criminal offenses of applicants may be used as a  
19 basis for denial;

20       2. If criminal history may be used as a basis for denial as
