17 public on the dangers of committing moving violations while
18 traveling in highway construction work zones or motorists failing to
19 move over or slow down pursuant to subsection D of Section 11-314 of
20 this title. The Department is authorized to develop and house on
21 its website an online work zone awareness presentation that may
22 include, but not be limited to, facts and figures representing the
23 dangers of motorists committing work zone moving violations,
24 testimonials from highway construction workers and their families,

1 information on the importance of awareness and slowing down in work
2 zones, the importance of failure to move over or slow down, and a
3 question-and-answer section to ensure participants understand and

5 contract for the production, development, and maintenance of the
6 webpage through a vendor. The Department shall maintain in its
7 database a record of those completing the program.

8 B. Motorists receiving a citation for committing moving
9 violations within a work zone or for failure to move over or slow
10 down, may receive information regarding an invitation to participate
11 in the Operation Work Zone Awareness program. A motorist who
12 participates in and completes the online program shall receive a
13 certificate designed and issued by the Department. Any person
14 producing the certificate as proof in court that the program was
15 successfully completed shall be entitled to dismissal of the fine.

17 court in person or electronically, no later than the business day
18 preceding the first scheduled court appearance date, the dismissal
19 shall be without payment of court costs. The court may access
20 information from the Department's system to confirm completion of

4 driving a commercial motor vehicle are not eligible to participate
5 in the program.

6 C. Moving violations that qualify an offender to participate in
7 the Operation Work Zone Awareness program shall include, but not be
