Research Analysis

The proposed committee substitute for HB1002X creates the Legacy Capital Financing Act to provide increased self-financing and liquidity options for current and future capital needs of the state. The measure also creates the Legacy Capital Financing Fund (LCF) which will consist of monies received by the Oklahoma Capitol Improvement Authority (OICA) and will be administered by OICA. The measure also outlines the distribution process for funds from the LCF and repayment procedures, which will be done over a 20 year term. The Legislature is entitled to suspend or restructure and LCF recapitalization payments through the adoption of a concurrent resolution.

Fiscal Analysis

In its current form, HB1002X creates the Oklahoma Legacy Capital Financing Fund. This fund exists to provide increased self-financing options for the state. The fund is to consist of all monies received by the Oklahoma Capitol Improvement Authority. All monies accruing to the credit of said fund are to be budgeted and expended by the Oklahoma Capitol Improvement Authority for capital projects. Furthermore, the measure indicates that all distributions from the Legacy Capital Financing Fund shall be returned to the Fund over a twenty-year period.

The cost of the creation and administration of this fund is yet to be determined.
