**Fiscal Analysis**

HB 1553 increases the maximum number of full-time equivalent (FTE) employees the Teacher's Retirement System of Oklahoma (TRS) may employ from fifty-two (52) to fifty-eight (58).

Officials from TRS confirmed this measure will not have a direct fiscal impact on the agency or state budget, as it does not require the employment of any additional individuals. Furthermore, TRS is a non-appropriated state agency and budgetary increases for additional FTE are subject to approval by the TRS Board of Trustees.

The floor amendment does not affect the fiscal impact of this measure.
