Research Analysis

The committee substitute for HB 1840 transfers the administration of the school lunch program to the Oklahoma Department of Agriculture from the State Department of Education, effective July 1, 2025.

The measure also repeals this section of law:

[Section 3-119 - Apportionment of School Lunch Matching and School Lunch Program Funds](#)

Prepared By: Emily Byrne

Fiscal Analysis

The measure in its current form is would remove the largely federally-funded school lunch program from the State Department of Education to the Department of Agriculture. As such, it would result in a reduction of \$3,500,000 in state appropriated matching funds to OSDE and be appropriated to ODAFF for maintenance of effort.
