Research Analysis

The floor amendment to HB 1908 removes the word "shall" and replaced it with the word "may" in regards to the 30 day window the Governor, the Speaker of the House of Representatives, and the President Pro Tempore of the Senate have to transmit any report to the Secretary of State. The measure also clarifies that it is the responsibility of the reporting entity to transmit a copy of their report to the Secretary of State if that report is required to be filed with the Governor, the Speaker of the House of Representatives, or the President Pro Tempore of the Senate.
