Fiscal Analysis

The floor amendment to HB 2255 creates a U.S. Army Ranger specialty license plate and a 45th Infantry Brigade Combat Team specialty license plate, to be created and distributed by Service Oklahoma. The annual fee for this license plate will be eight dollars (\$8.00), to be deposited in the Service Oklahoma Reimbursement Fund.

This measure also creates a Hallett Motor Racing Circuit specialty license plate, a University of Kansas specialty license plate, and a Clinton Red Tornadoes specialty license plate, each to be created and distributed by Service Oklahoma. The annual fee for this license plate will be fifteen dollars (\$15.00) per year. Eight dollars (\$8.00) of this fee will be deposited in the Service Oklahoma Reimbursement Fund and the remaining seven dollars (\$7.00) will be apportioned as provided in Title 47 Section 1104 of the Oklahoma Statutes.

This measure also creates a Ally's House License Plate to be created and distributed by Service Oklahoma. The annual fee for this license plate will be thirty-five dollars (\$35.00) with twenty dollars (\$20.00) of that fee being sent to Ally's House and the remaining fifteen dollars (\$15.00) distributed in the same manner as described above.

The creation of these license plates would result in a minimal increase in motor vehicle collections to Service Oklahoma from any individual who chooses to receive this plate.
