Research Analysis

HB2864, as introduced, creates the "Mental Health Transport Revolving Fund" within the Department of Mental Health and Substance Abuse Services. The fund will consist of money received by the Department from appropriations, is not subject to fiscal year limitations. The fund is to be used to reimburse law enforcement transportation for the transport of patients to mental health facilities.

The measure also clarifies that once an individual has been taken to a facility, the Department of Mental Health and Substance Abuse Services, or an entity contracted by the Department is responsible for any subsequent transportation.
