Research Analysis

The proposed committee substitute to HB 2941 appropriates \$10 million to the Oklahoma Arts Council from the Statewide Recovery Fund. Additionally, the measure creates the Statewide Recovery Special Account for the Oklahoma Arts Council. The account is to remain active as long as ARPA funds are being budgeted, expended, or managed in Oklahoma. The State Treasurer is given the authority to close the account. The Council is allowed to enter into memorandums with other state agencies for the auditing, oversight, and management of the appropriated funds.

The Oklahoma Arts Council is not allowed to retain more than two percent of the appropriated funds to reimburse for costs incurred by the Council or on their behalf. Lastly, the Council is required to submit a quarterly report, a copy of all memorandums and contracts with third parties, and to provide an in person status update to the Joint Committee on Pandemic Relief Funding.
