

BILL SUMMARY
2nd Session of the 59th Legislature

| | |
|------------------------|--------------------|
| Bill No.: | HB 3234 |
| Version: | INT |
| Request Number: | 9264 |
| Author: | Rep. Lawson |
| Date: | 3/5/2024 |
| Impact: | No Impact |

Research Analysis

HB 3234, as introduced, authorizes the State Board of Career and Technology Education to outline eligibility requirements for individuals 21 years of age and older seeking high school equivalency credentials based on their work experience and previous education.

Prepared By: Autumn Mathews

Fiscal Analysis

As written, the measure is not anticipated to result in a negative fiscal impact on the state budget or appropriations.

Prepared By: Cole Stout, House Fiscal Staff

Other Considerations

None.
