

BILL SUMMARY
2nd Session of the 59th Legislature

Bill No.:	HB 3327
Version:	INT
Request Number:	9010
Author:	Rep. Roe
Date:	2/13/2024
Impact:	No Impact

Research Analysis

HB 3327, as introduced, authorizes school staff to electronically monitor diabetic students' glucose numbers on school or personal devices with parent or guardian permission.

Prepared By: Autumn Mathews

Fiscal Analysis

As written, the measure is not anticipated to result in a negative fiscal impact on state appropriations or the budget.

Prepared By: Cole Stout, House Fiscal Staff

Other Considerations

None.
