

BILL SUMMARY
2nd Session of the 59th Legislature

Bill No.:	HB 3550
Version:	INT
Request Number:	9543
Author:	Rep. Sterling
Date:	2/23/2024
Impact:	Please see previous summary of this measure

Research Analysis

HB 3550, as introduced, would prevent schools from being downgraded in their accreditation status for receiving an assessment score below basic in any academic area as long as the school can validate its usage of data to ensure it is improving the rigor of instruction, implementing targeted professional development activities, and using research-driven best practices for student remediation.
