Research Analysis

The second proposed committee substitute to HB 3622 creates the Operation Enterprise Task Force. The task force is to have 25 members and is required to hold an organizational day no later than 60 days after the effective date of the measure. The task force is required to gather and analyze information to make a recommendation on best practice methods to support infrastructure development within the state. The task force is not subject to the Open Meetings Act, but is required to post a meeting notice 10 days prior to the meeting on the House and Senate websites and in the Capitol. The final report including the task force recommendations is due to the Governor and legislative leadership by December 1, 2025.
