

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	HB 3626
Version:	INT
Request Number:	9125
Author:	Rep. Goodwin
Date:	2/8/2024
Impact:	Permissive Language; Up to \$63,840/year/district

Research Analysis

Pending

Prepared By: House Research Staff

Fiscal Analysis

As written, the measure contains permissive language that would allow certain public school districts to pay school board members up to \$190 per meeting, an increase from \$25. The largest (non-charter) school boards have seven members. If these boards were to meet the maximum of four meetings a month, the approximate fiscal impact would be \$63,840 per year, per district. However, district boards do vary in composition.
