Fiscal Analysis

The FA1 to this measure increases the county jail reimbursement rate paid by the Department of Corrections (DOC) from \$27 to \$32. Based on previous data provided by officials from the DOC, House staff estimates that a \$5 increase for 1100 units in a 365 day calendar year results in a fiscal impact to the DOC of \$2,007,500. The FA1 also provides a 3% annual adjustment for inflation. The DOC may seek additional funding to defray these costs.
