

BILL SUMMARY
2nd Session of the 59th Legislature

Bill No.:	SB1370
Version:	CS
Request Number:	10862
Author:	Rep. Boles
Date:	4/12/2024
Impact:	\$0.00

Research Analysis

The committee substitute for SB 1370 requires the Oklahoma Low Carbon Energy Initiative program to be responsible for satisfying equipment needs related to seismic activity monitoring.

Prepared By: Emily Byrne

Fiscal Analysis

This measure amends the duties of Oklahoma Low Carbon Energy Initiative (Initiative) to include satisfying equipment needs of the state related to monitoring seismic activity. This measure does not appropriate any funds to the Initiative to obtain seismic equipment, there is no fiscal impact from the measure.

Prepared By: Mariah Searock, House Fiscal Staff

Other Considerations

None.
