Research Analysis

The subcommittee recommendation for SB1488 establishes the "Ethics Commission Electronic Filing System Replacement Fund" in the State Treasury. It is an ongoing fund not limited by fiscal years, and funded by appropriations from the legislature to replace the Ethics Commission's electronic filing system.

All funds received by the Commission for this purpose go into the fund, which can be spent by the Commission as needed. Expenditures from the fund require approval by the State Treasurer and compliance with established procedures.
