

BILL SUMMARY
2nd Session of the 59th Legislature

Bill No.:	SB 1572
Version:	CS
Request Number:	10845
Author:	Rep. Sims
Date:	4/24/2024
Impact:	No Impact

Research Analysis

The committee substitute for SB 1572 requires the Construction Industries Board to register students with proper qualifications as apprentices rather than electrical interns. Student apprentices must also be employed with a licensed electrical contractor and not apply more than 500 hours toward their journeyman requirements.

Student apprentice registration will be issued per school year and expires on the last day of the school year. An apprentice may reregister yearly by meeting the Construction Industries Board's requirements and paying the renewal fee.

Prepared By: Autumn Mathews

Fiscal Analysis

In its current form, SB1572 requires the Construction Industries Board to register an eligible applicant that is employed with an active licensed electrical contractor as a student apprentice rather than a student electrical intern.

The measure stipulates that apprentices must also be employed with a licensed electrical contractor and must not apply more than 500 hours toward their journeyman requirements. The apprentice's registration expires on the last day of the school year.

This measure is not expected to impact state revenue or state appropriations.
