Research Analysis

The floor amendment to SB 225 inserts a new Section 1, which establishes the School Nurse Pilot Program Revolving Fund for the purpose of implementing a pilot program to deliver school nurse services that address health, mental health, and social services needs of students and families to promote the ability for students to have the best opportunity to learn and be successful in their public school district. The amendment also outlines the criteria for the pilot program, and authorizes the State Department of Health to promulgate rules and procedures for the program.

SB 225, as amended, establishes the School Nurse Pilot Program Revolving Fund for the purpose of implementing a pilot program to deliver school nurse services that address health, mental health, and social services needs of students and families to promote the ability for students to have the best opportunity to learn and be successful in their public school district. The measure outlines the criteria for the pilot program, and authorizes the State Department of Health to promulgate rules and procedures for the program.

The measure also requires The Health Care Authority and State Department of Health to submit the diabetes prevention report by January 10 of every fifth year beginning January 10, 2024, instead of every odd year. The measure requires that the report also be submitted to the Governor, the President Pro Tempore of the Senate, and Speaker of the House.
