Research Analysis

The proposed committee substitute for SB602 provides that when a taxpayer elects to immediately and fully expense a qualified business expense, any depreciation or bonus claimed cannot be a duplication of the same allowed or permitted on a federal income tax return for the taxpayer. Beginning tax year 2023, the federal taxable income listed on a state return must be increased by the amount of depreciation claimed on a federal return for the year in which the property was placed in service. A taxpayer that fails to do so must file an amended return for tax year 2023 by June 30, 2024. The Oklahoma Tax Commission is prohibited from assessing penalties or interest for amended returns that correct this issue.
