

BILL SUMMARY
1st Session of the 59th Legislature

Bill No.:	SB694
Version:	ENGR
Request Number:	
Author:	Mr. Speaker
Date:	4/10/2023
Impact:	No state impact, 100% TANF

Research Analysis

SB 694 provides that a pregnant TANF applicant or recipient who does not have children at home qualifies for TANF to the same extent as a parent with minor children at home. The measure also strikes a provision that would require a recipient to be subject to the increment in benefits for additional children.

Prepared By: Suzie Nahach

Fiscal Analysis

Per the Department of Human Services, there will be no state impact, 100% Temporary Assistance to Needy Families, a federal program, to include applicants to TANF who are pregnant who does not already have a child or children qualifies for TANF benefits.

Prepared By: Stacy Johnson, House Fiscal Staff

Other Considerations

None.
