Research Analysis

The committee substitute to SB 952 raises the cost threshold for county equipment that must be entered into the Board of County Commissioner meeting minutes and for county equipment that can be used as a trade-in on cash purchases or lease purchases from \$500 to \$1,000. The measure also establishes that county equipment with an original cost of \$1,000 or more and hardware or software having an original cost of \$500 or more must be sold according to certain procedures as laid out in the measure.

Fiscal Analysis

SB952 in its current form increases the threshold before certain disclosures are required of certain county property dispositions. The measure in its current form is not anticipated to have a direct fiscal impact on the state budget or appropriations.
