

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	HB 2185
Version:	CS
Request No.:	3727
Author:	Sen. Bullard
Date:	04/08/2024

Bill Analysis

HB 2185 provides that an aerial pesticide applicator licensee must also provide any additional applicable certification as required by the Federal Aviation Administration for pesticide application. The measure authorizes the use of borate-based pesticide for termite control if the pesticide is registered by the United States Environmental Protection Agency, registered in Oklahoma, and used in accordance with all requirements as prescribed by the product label.
