Bill Analysis

SB 1079 provides that legislative authorization for the construction of any turnpike project authorized prior to and after November 1, 2023, shall expire unless the Authority has commenced actual physical construction of such turnpike project in earnest within 5 years of November 1, 2023, or the effective date of the authorization. Where the Authority has commenced construction prior to the expiration of the authorization, construction shall diligently continue in due and regular course to the completion of the turnpike project.
