**Bill Analysis**

SB 1186 appropriates \$12,802,993.00 from the Statewide Recovery Fund to the State Department of Human Services for the purpose of funding a grant program that supports the availability of and access to affordable and nutritious foods. The measure creates the Statewide Recovery Special Account for the appropriation. The Department is authorized to retain no more than 2% of the funds appropriated to reimburse costs incurred by the Department or on behalf of the Department. The Department is required to submit a quarterly report to the respective Chairs of Appropriation in the Senate and House and to appear before such committees no later than 6 months after the effective date upon request. The measure also requires any nonprofit receiving funding from the Department to show that it provides direct services to residents of Oklahoma, is complying with relevant tax laws, and is in good standing with the Office of the Secretary of State.
