

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1210
Version:	INT
Request No.:	2354
Author:	Sen. Stanley
Date:	11/30/2023

Bill Analysis

SB 1210 authorizes the use of fixed-wing aircraft by the county assessor to discover changes to a property made after an initial physical inspection of property. The measure clarifies that it does not authorize the use of unmanned aircraft.
