

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1247
Version:	INT
Request No.:	2287
Author:	Sen. Burns
Date:	12/07/2023

Bill Analysis

SB 1247 requires any marijuana-licensed premises, medical marijuana business, or premises seeking medical marijuana licensure prior to construction to list each building trade contractor license number or the employee information for exempted employees performing work otherwise requiring a trade license if the premises or business claims an employee exemption from licensing for electrical or mechanical work.
