

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1259
Version:	INT
Request No.:	2732
Author:	Sen. R. Thompson
Date:	12/08/2023

Bill Analysis

SB 1259 strikes language requiring sales tax rebate claims on broadband equipment to be processed no later than March 1, 2025. The measure adds language requiring the report on sales tax rebates with respect to broadband equipment to be April 1 of the second succeeding year for equipment purchases made after 2023.
