

**Bill Summary**  
2<sup>nd</sup> Session of the 59<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 1273</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>2815</b>
<b>Author:</b>	<b>Sen. Alvord</b>
<b>Date:</b>	<b>12/11/2023</b>

**Bill Analysis**

SB 1273 creates the Blue River-Little Blue Creek Stream Health Assessment Study Revolving Fund under the management of the Department of Environmental Quality (DEQ). Monies in the Fund shall consist of appropriations, apportionments, donations, and federal grants received for the completion of a Blue River-Little Blue Creek Stream Health Assessment Study. The measure directs the DEQ to coordinate with the Center for Reservoir and Aquatic Systems Research at Baylor University to define the scope of the study as well as collect data.
