SB 1336 creates the Oklahoma Boating Access Revolving Fund under the management of the Oklahoma Wildlife Conservation Commission. The Fund shall consist of all monies received by the Oklahoma Wildlife Conservation Commission from any state-appropriated funds, federal funds, donations, grants, contributions, and gifts from any public or private source. Monies from the Fund shall be used to expand access to rivers and lakes. The Commission is authorized to property needed to expand such access. The measure appropriates \$10 million from the General Revenue Fund to the newly created Fund.
