

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1355
Version:	INT
Request No.:	2946
Author:	Sen. Young
Date:	12/15/2023

Bill Analysis

SB 1355 directs the Office of Management and Enterprise Services shall compile and maintain demographic data for all state employees who are descendants of persons who were enslaved in the United States of America. The measure provides that disclosure of such ancestry shall be optional. The measure requires the Office to publish the demographic data no later than December 31, 2025, and each year thereafter.
