**Bill Analysis**

SB 1383 authorizes the Board of Dentistry to enforce all state and federal laws pertaining to the use of diagnostic x-ray systems or other sources of radiation used for treatment purposes that occur in a dental office. The measure directs the Board to gather and submit data and statistics required by state and federal law to the State Department of Health annually or as requested. The measure specifies that the fee schedule previously established by the State Commissioner of Health shall not be exceeded.
