Bill Analysis

SB 1416 authorizes state agencies to recruit or hire any technical staff deemed necessary to perform duties related to the information and telecommunications systems of such state agency. Such staff shall be employees of the hiring agency and not the Information Services Division of the Office of Management and Enterprise Services. The measure directs the Chief Information Officer to promulgate rules regarding the information security certification of technical staff. Agencies hiring staff may use state funds or enter into any agreement for the procurement of information technology and telecommunications equipment consistent with the Oklahoma Central Purchasing Act.
