Bill Analysis

SB 1472 creates the Coach Safely Act. The measure directs any youth athletic association to require all coaches and athletics personnel to complete an online or residence course approved by the State Department of Health which provides information and awareness of actions and measures that may be used to decrease the likelihood that a youth athlete will sustain a serious injury while engaged or participating in a high-risk youth athletic activity. Coaches shall sign a statement developed by the youth athletics association attesting that the coach or personnel has completed the course and understands the information provided by the course.
