Bill Analysis

SB 15 prohibits any governmental entity from entering into a contract with a company unless the contract contains a written verification from the company that it does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association. The provisions of this measure shall not apply to a company that is valued below \$100,000.00 and has fewer than 10 employees. The provisions of this measure shall also not apply to a governmental entity that does not receive a bid from a company with written verification or contracts with a sole-source provider.
