Bill Analysis

SB 1519 requires the Secretary of State to publish the “Oklahoma Administrative Code” and “The Oklahoma Register” using an electronic or printed format. Printed forms of the Code or Register shall be provided at the least cost possible to the state. The measure specifies the electronic format of the Code or Register shall prevail if a discrepancy is shown or discovered between the electronic publication and the printed publication. The measure provides that if an entity requests the Code or Register, the Secretary shall provide the requested copy electronically for free if the Secretary determines the entity can download the Code or Register.
