Bill Analysis

SB 1574 modifies “record” as it relates to the Oklahoma Open Records Act. The measure updates statutory references relating to the Motor Vehicle Report by replacing references to the Department of Public Safety with Service Oklahoma and provides that applications and other documents related to licensure matters that are filed of record in a district court shall be considered a record subject to the provisions of the Act.

House Amendments

HA’s to SB 1574 clarifies engrossed language.
