

dBill Summary
2nd Session of the 59th Legislature

Bill No.:	SB 1591
Version:	INT
Request No.:	2971
Author:	Sen. Coleman
Date:	01/09/2024

Bill Analysis

SB 1591 requires each chiropractic physician to obtain a minimum of 8 hours of the annual Oklahoma continuing education requirements through at least 1 in-state continuing education program approved by the Board of Chiropractic Examiners. Such a course must be offered at an accredited chiropractic college or chiropractic association in the state.
