Bill Analysis

SB 1632 provides that the Department of Wildlife Conservation's rules relating to wildlife conservation shall not prohibit properties from participating in the program if such property has less than 1 acre of land existing in its natural state, presently enhanced for wildlife use, or being restored to a state conducive to wildlife conservation. Additionally, the measure prohibits the Department from denying a property from participation in the program in the event the property fails the provisions of this section by events such as wildfires.
