Bill Analysis

SB 1634 requires the sale of all medical marijuana flower, trim, shake, kief, medical marijuana product, or other flower-based product not defined as a concentrate to be sold by licensed medical marijuana processors and licensed medical marijuana commercial growers to licensed medical marijuana dispensaries in pre-packaged sizes weighing between 1/2 grams-3 ounces. The measure authorizes the use of nonopaque materials for packaging such products. The measure directs the Oklahoma Medical Marijuana Authority to promulgate rules and regulations to allow for pre-packaged products to be returned to the licensed medical marijuana dispensary when found defective or hazardous to the health of the patient.
