Bill Analysis

SB 1728 modifies authorized date of elections that may be held by political subdivisions. The date of elections in any year other than a presidential election year is moved from the second Tuesday of February to March. The measure authorizes elections to be held on the date of the Presidential Preferential Primary election in a presidential election year. The measure moves the date for election held in odd-numbered years from second Tuesday of September to June as well as the second Tuesday of August.
