Bill Analysis

SB 1774 modifies the requirements for teacher certification to include passage of the United States naturalization test with a score of 90 out of 100 questions. It states that if a person does not pass the test, he or she cannot be issued a certificate to teach. The bill also requires teachers seeking renewal of their standard teaching certificates to pass the naturalization test with a score of 90 out of 100 questions. The measure states that if a teacher does not pass the test, he or she cannot have a teaching certificate renewed
