

**Bill Summary**  
1<sup>st</sup> Session of the 59<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 200</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>272</b>
<b>Author:</b>	<b>Sen. Rader</b>
<b>Date:</b>	<b>01/09/2023</b>

**Bill Analysis**

SB 200 requires any state environmental agency, the Corporation Commission, and Department of Environmental Quality, that is required to comply with the federal Safe Drinking Water Act to evaluate the regulatory and statutory framework that governs the agency and identify and report any areas in which modifications may be needed to the Secretary of Energy and Environment to provide for the development of Underground Injection Control Class VI wells. Agencies are directed to consult with the Secretary and work in conjunction with the Office of Energy and Environment to ensure timely analysis. Findings from the report shall be submitted in a report to the Governor, Secretary of Energy and Environment, President Pro Tempore of the Senate, and the Speaker of the House no later than August 1, 2023.
