Bill Analysis

SB 201 requires all municipalities to conduct inspections of homeless camps in municipal districts that have water run-off enter municipal sewer systems, drainage systems, or drinking water reservoirs within 30 days of the effective date of this measure. The camps must also be up to building codes established by the Oklahoma Uniform Building Code Commission. Any municipality that fails to comply with the provisions of this measure shall be liable for any harm within and outside of the immediate boundaries of the homeless camp. Any camp that fails to meet standards established by the Commission must be abolished by the municipality.
