

Bill Summary
1st Session of the 59th Legislature

Bill No.:

SB 225

Version:

HASB

Author:

Sen. Seifried

Date:

05/23/2023

Bill Analysis

SB 225 modifies the reporting period as it relates to diabetes prevention. The Health Care Authority and State Department of Health shall report by January 10 of every fifth year beginning January 10, 2024, instead of every odd year. Additionally, the measure requires the report to also be submitted to the Governor in addition to the President Pro Tempore of the Senate and Speaker of the House. The measure also creates the School Nurse Pilot Program Revolving Fund. Monies from the Fund shall be distributed as grants to school districts. The program shall encompass a 3-county area with no more than 20% the area's school districts having enrollments greater than 3,000 weighted average daily membership. The program shall be coordinated by a single nonprofit provider.

House Amendments

HA's to SB 225 adds language relating to the School Nurse Pilot Program Revolving Fund.
