Bill Analysis

SB 302 directs every executive agency to convert to a payroll system that provides payment to employees every 2 weeks no later than July 31, 2028. The measure also creates the Payroll System Transition Revolving Fund. The Office of Management and Enterprise Services shall distribute monies from the Fund as needed to pay the agency transition costs. Monies remaining in the Fund after July 31, 2028, shall revert to the General Revenue Fund.
