Bill Analysis

SB 338 requires any person applying for a driver license or a renewal of a driver license to provide proof of coverage under a motor vehicle liability policy along with his or her application. Additionally, the measure requires the company providing coverage to notify Service Oklahoma of any cancellation of the policy within 10 days. Any person whose policy was cancelled must provide Service Oklahoma with proof of coverage within 30 days. Failure to provide such proof shall result in license revocation. The measure also defines a non-owner's policy of liability insurance. Any person that does not have a vehicle may obtain the policy. The measure requires every person with this policy to carry proof of security at any time that the person is operating a motor vehicle.
