

Bill Summary
1st Session of the 59th Legislature

Bill No.:	SB 454
Version:	INT
Request No.:	1041
Author:	Sen. Murdock
Date:	01/17/2023

Bill Analysis

SB 454 directs state agencies listed in the measure to prepare report showing efforts and associated costs within the past to eradicate invasive woody species as well as the estimated amount of acreage covered by said species. The agencies are required to submit a plan to eradicate said species within the next 5 years as well as the estimated costs for such an effort.
